CURRICULUM VITAE

PERSONAL INFORMATION

Name	Claudio Cortese
Address	
Tel	
Fax	
E-mail	
Nationality	Italian
Birth date	10 June 1952

WORK EXPERIENCE

Date	1978-1984
Employer's name and address	St. Thomas's Hospital Medical School- London UK
Type of institution or sector	University Hospital
Type of employment	Lecturer in Chemical Pathology
Main duties and responsibilities	Teaching and assistance - Senior Registrar in Chemical Pathology
Date	1985-1988
Employer's name and address	University of Naples Federico II. Via S. Pansini - Naples
Type of institution or sector	Faculty of Medicine and Surgery - University Polyclinic
Type of employment	Researcher
Main duties and responsibilities	Teaching and assistance - Internal Medicine Help
Date	1989-1992
Employer's name and address	Magna Grecia University of Catanzaro
Type of institution or sector	Faculty of Medicine and Surgery

Type of employment	Associate Professor of Clinical Biochemistry and Clinical Molecular Biology
Main duties and responsibilities	Teaching
Date	1992-1999
Employer's name and address	University of Rome "Tor Vergata", Via Montpellier 1-00133 Rome
Type of institution or sector	Faculty of Medicine and Surgery
Type of employment	Associate Professor
Main duties and responsibilities	Teaching
Date	from 2000 to today
Employer's name and address	University of Rome "Tor Vergata", Via Montpellier 1-00133 Rome
Type of institution or sector	Faculty of Medicine and Surgery– University Polyclinic
Type of employment	Full professor of Clinical Biochemistry and Clinical Molecular Biology
Main duties and responsibilities	Teaching and assistance - Head of Complex Unit

EDUCATION AND TRAINING

Date	1970-1976
Name and type of educational or training institution	Faculty of Medicine and Surgery of Naples Federico II
Main subjects / professional skills subject to the study	Medicine and Surgery
Qualification achieved	Medicine and Surgery Degree
Level in national classification (if relevant)	
Date	1977-2000
Name and type of educational or training institution	Faculty of Medicine and Surgery of Naples Federico II
Main subjects / professional skills	Diabetology and metabolic diseases

subject to the study

Qualification achieved

Specialization in Diabetology and metabolic diseases

Level in national classification
(if relevant)

Date

1978-84

Name and type of educational
or training institution

St. Thomas's Hospital Medical School- London UK

Main subjects / professional skills
subject to the study

Clinical Lipidology. In vivo metabolism of plasma lipoproteins. Molecular Biology of atherosclerosis

Qualification achieved

Level in national classification
(if relevant)

Date

from 1992 to today

Name and type of educational
or training institution

University of Rome "Tor Vergata",
via Montpellier 1- 00133 Rom 

Main subjects / professional skills

Clinical Biochemistry and Clinical Molecular Biology of atherosclerosis with particular reference to candidate genes in the determinants of atherosclerosis, interaction between genetic and environmental factors, genetic and molecular mechanisms of intestinal cholesterol absorption.

Qualification achieved

Level in national classification
(if relevant)

PERSONAL SKILLS AND COMPETENCES

Acquired over the course of life and career but not necessarily recognized by certificates and official diplomas.

FIRST LANGUAGE

ITALIAN
